

BMW SPECIFICATIONS SHEET

SSI SCHAEFER is a BMW approved supplier and offers a family of returnable, reusable containers, bulk boxes, and compatible pallets. SSI SCHAEFER services also include turn-key interior dunnage, cut and weld containers for nonstandard sizes, container design and consulting. Partnering with SSI SCHAEFER on your next BMW program ensures an optimized returnable packaging system for all of your components. Reusable packaging provides costs savings and reduces the environmental impact from terminative packaging, while working with a turn-key BMW approved supplier for a solution that fits.
