

RIVIAN SPECIFICATIONS SHEET

RIVIAN

SSI SCHAEFER is a Rivian approved supplier and offers a family of returnable, reusable containers, bulk boxes, and compatible pallets. SSI SCHAEFER services also include turn-key interior dunnage, cut and weld containers for nonstandard sizes, container design and consulting. Partnering with SSI SCHAEFER on your next Rivian program ensures an optimized returnable packaging system for all of your components. Reusable packaging is a proven cost savings and reduces the environmental impact from alternative packaging, while working with a turn-key Rivian approved supplier for a solution that fits.
